

NEWSLETTER AUGUST 2023

www.boplug.nz

bricksofplenty@gmail.com

Welcome to the Club's new Newsletter, coming to you every month. Great to see so many people at the last Clubday! Only a few weeks till our next public display - Happy Building!

Kerry Gordon's Swiss Army Life won July's Monthly Challenge - How do you see yourself. Kerry's MOC includes representations of many aspects of his life and background, and paints a clear picture. There were lots of creative entries and different interpretations on July's Challenge - August's Challenge looks to be just as exciting!

AUGUST'S MONTHLY CHALLENGE!

Create a Pouwhenua, or totem pole, free standing, 40cm tall, telling a story and including these 3 elements: One animal figure, one bird figure, and one landmark. Plus, for a total of 4 parts, an element of the creator's choice. Builds will be displayed at Te Puke, Sept 2nd.

Last Clubday saw us building Marble Mazes, starting off simple and building up to multi levels, doors and ramps. Emilios and Luz (left) with their build.

**NEXT CLUBDAY
SEPTEMBER 3**
